Meteorologist's View

Sunday will offer a window of dry and settled weather across the Mourne Mountains but note the strengthening winds and showers arriving during the evening.

Forecast for Monday 12 Aug 2024

Weather: Showery rain turning heavy overnight and early morning with strong winds and a risk of torrential downpours, lightning and hail for a time. The rain will ease off during the morning then dry with sunny spells for the rest of the day. A delayed start to your outing is advisable.

Maximum wind: Southeast 25-35mph gusts 40-50mph easing South 15-20mph during the morning.

Chance of cloud-free hill tops above 700m: 20% for a few hours overnight and in the morning then 90% by afternoon.

Low cloud and visibility: Poor visibility in heavy rain or showers early morning with areas of cloud and fog developing above 500m. Visibility becoming good during latter part of the morning as cloud and rain clear east.

Temperature: **Valleys:** Plus 17C rising to 21 or 22C.
At 700m: Plus 12 to 14C.
Freezing level: Well above summits.
